WE APPRECIATE  
EARTHLING  
MUSIC O MIGHTY ISIS

All my life I felt incomplete. There was a feeling of emptiness, ~~that~~ a feeling that if there was just that intangible little thing that I could not grasp at any time previous to the EVENT, I would be complete. The event I speak of was of course the first time I heard O' Mighty ISIS. I am now complete. My pattern of business has stopped, my stomach ~~has~~ become washboard like in moments, my dog came back to life. Thank you O' mighty Isis. I will love you forever.

# O MIGHTY MADLIB

Going to an O Mighty Isis show is like really \_\_\_\_\_. There's the usual crowd, \_\_\_\_\_ and \_\_\_\_\_ are always there, sometimes \_\_\_\_\_ shows up. Once they played with \_\_\_\_\_. Before O mighty Isis took the stage however a \_\_\_\_\_ fell out of Chris's amp, and we thought they'd never \_\_\_\_\_ thier usual \_\_\_\_\_. They managed to fix it in a jiffy though and played a rockin' \_\_\_\_\_ was impressed and they all \_\_\_\_\_ together after the show. Chris has a cool ten string guitar that

sounds like a \_\_\_\_\_. If you're lucky you may catch him \_\_\_\_\_ his double-neck \_\_\_\_\_. The bass player Connie really rocks when she plays with her \_\_\_\_\_ but she hates using a pick. Connie has a really pretty \_\_\_\_\_ and sings a couple \_\_\_\_\_ (s). The drummer Sophy has groovy set of \_\_\_\_\_ leather drums that she plays lefty. In fact, lefties are the majority in this band, Connie is the only \_\_\_\_\_-handed member. With thier new 7" \_\_\_\_\_ out, O Mighty Isis is on thier way to \_\_\_\_\_. With the support of thier manager Kyle, a really \_\_\_\_\_ guy, and all thier adoring \_\_\_\_\_, this band is sure to \_\_\_\_\_ far.

O Mighty Isis took the stage way early, but there plenty of baby new years in the audience tapping their feet and nodding their heads to the noisy post-Beat Happening groove. The West Philly cutie pies stuck to rockers since they didn't really have enough time for slow drags. Sure there were some hairy moments, but when you have great songs and lots of charm it just adds to the appeal. If you didn't arrive early enough to catch O Mighty Isis, shame on you. Don't fret however, they'll pop up when you least expect it and will rock your world. Honest!
