## REJECTION

I WANNA BE A REJECT  
CAN'T HACK THE MAINSTREAM CROWD  
I GOTTA HAVE REJECTION  
I'M NOT DEBONAIRE OR PROUD

I DON'T BLEND WITH THE GRADE A TRACK  
SO ACCOMPLISHED, BRIGHT AND CLEAN  
I JUST NEED REJECTION  
COLD BODIES LAY SO LEAN

REJECTION, REJECTION, AH I LIVE IT  
REJECTION, GOT IT

ORIGINALITY'S WHAT COUNTS  
AND DIFFERENCES THE SAME  
IF YOU DON'T REACH REJECTION  
YOU'RE THE ONE TO BLAME  
I COULDN'T BE ACCEPTED  
NO WAY THAT'S NOT FOR ME

REJECTION, REJECTION, AH I LIVE IT  
REJECTION, GOT IT

## FALSE CHARACTER

SEARCHING FOR A NEW IDENTITY  
YOU'RE SEARCHING FOR A NEW WAY TO BE  
YOU SEE THE CLIQUE THAT FITS YOU FINE  
BUT TRYING TO BE, IS JUST A WASTE OF TIME

YOU CAN'T BE SOMETHING YOU WEREN'T  
MEANT TO BE  
THROW AWAY YOUR LIBERTY  
LIVE YOUR LIFE IN POVERTY  
COULD THAT BE YOUR DESTINY

CLIMBING AND FALLING, I'LL DRAG YOU DOWN  
DON'T FOLLOW ME, GET OUT OF TOWN  
DON'T WANT TO SEE YOU  
DON'T DO THE THINGS I DO

DON'T WANT TO SEE YOU,  
DON'T DO THE THINGS I DO

SADISTIC EXPLOITS are Social Reform Anarchists who believe in personal freedom. Freedom in being what you want to be, freedom in who you are. We believe in doing things our way, and not someone else's, which usually upsets them. We call this Social Reform Anarchy. We are not a political Anarchist group, who believe in chaos and destruction as most of the first punk bands admitted to be. There is "no future" in Anarchy as a government because there is no order. With no order there would be chaos and society would self destruct. No one really wants this. People seek freedom and think anarchy is the answer. Freedom can only come from yourself. It's up to you.

Since ~~SOD~~ISTIC EXPLOITS began using the No-England symbol a lot of inquiries have arisen questioning the meaning of the symbol. People have got the wrong impression about it, thinking we are against England or British rock. What the symbol really means is that we are opposed to the people of Britain forcing their opinions on Americans. They tell us what is right or wrong musically and what they think are valid forms of music in the United States. What ever is fashionable in England later becomes fashionable in the States. We are tired of seeing American bands who have trouble making it in the States, going to England and returning here to finally be accepted. We do not need England's approval to tell us a band is good. Americans are gradually becoming conscious of this and conditions are improving. We hope to make more people aware of the situation.
